Book Title: Yellow Fang's Secret

By Erin Hunter

Yellow Fang's Secret is the latest book in the Warrior Super Edition series by American author Erin Hunter. It is about a grey she-cat who can feel other cats' pain, so she has to become a medicine cat. A medicine cat heals their clan mates. The sad part is the medicine cats are not allowed a mate and kittens. Before becoming a medicine cat, she was a dedicated warrior, who would defend her clan at all costs. She secretly had a mate, Ragged Star, and they had kittens. One of these kittens, Broken Star becomes leader of Shadow Clan, and exiles Yellow Fang. For a while she

was a rogue, and then, found by Fire Paw, she joins Thunder Clan. This book follows the exciting tale of Yellow Fang going to her next adventure in a new clan.

I love this book so much. I suggest this to people who like cats, plants and adventures.

I love this book, I give it 5 stars!

Shadow by Micheal Morpurgo - a book review.

Ahmen, a teenage boy from Afghanistan, gets taken to prison to get sent back to his country. There is a protest to stop the imprisonment and against sending them back to their country. Polly, a military sniffer dog, befriends Ahmen and his family. They are unaware of her ability to search out landmines. Polly saves the family and some English soldiers from stepping on a landmine, Polly has sniffed out the most mines in the army.

Polly is my favorite character in the book because she leads the way and sniffs the side of the road all the way.

I would recommend this novel to ages 7+ because it is an enjoyable read and there are some really good moments of action. And some ups and downs.

Summary: The book is about a girl called Nikki and she is at high school but is not so popular. She has a crush on Brandon who happens to be Mackenzie the most popular girl in schools crush too!!!! AWKWARD. It is written in a diary style and some of Nikki's thoughts will make you laugh out loud together with the illustrations.

The main characters:

Nikki

- Dorky
- Unpopular
- Funny
- Friendly
- Shy

Brandon

- Shy
- Friendly
- All the girls like him

Mackenzie

- Most Popular
- Rude
- Selfish
- Annoying

My favourite part was when Nikki stood up to Mackenzie in the last chapter because that is what I wanted her to do throughout the book and I thought she was very brave.
